REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents:

Attached is a copy of the official Filing Receipt received from the PTO in the above-identified application, for which issuance of a corrected Filing Receipt is respectfully requested.

There is an error with respect to the following data, which is incorrectly entered. There is an error in the priority data, which should read this application is a CIP of U.S.

Application No. 09/666,032, filed September 20, 2000, and claims the benefit of U.S. Provisional Application Nos. 60/183,453 filed February 18, 2000 and 60/248,438, filed November 13, 2000.

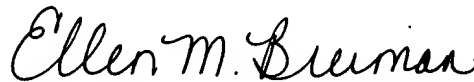

The correction to be made has been marked in red on the enclosed copy of the Filing Receipt.

With respect to the error in Priority Data regarding Provisional Application No. 60/248,438, filed November 13, 2000, the filing receipt indicates that the "data is inconsistent with PTO records." Please note that a Request for Corrected Filing Receipt was made in that application on July 23, 2001. A copy of that request is enclosed herewith for your review. Please correct the Official Filing Receipt for this case accordingly.

Respectfully submitted,

D. David Nason et al.

Date Mailed: 06/15/2001

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
